Accent Premium

Rheem's range of Accent heat pumps are designed and built in Australia. Favourites of the Australian industry, these same units are installed to major aquatic centres and specified where the highest quality of component, design and control is essential. These units can be customised to your specific needs.

Accent Premium Series

- Full commercial construction including marine grade aluminium case and anti-corrosion treatment of the evaporator
- 5.8kw to 31.1kW output
- Market leading level of efficiency
- Demonstrably lower running cost than competitor offering due to higher efficiency
- Best suited to Australian conditions with enhanced evaporator and heat exchanger capacity
- Suited to cool climate operation
- Compressor housed in separate internal cabinet minimising noise.
- Over temperature control
- HP/LP pressure control and flow switch
- Marine Grade Aluminium Case, with the option of colour matching
- Titanium Heat Exchanger
- Reverse Cycle De-Ice
- Australian-made
- Full manufacturer's warranty and factory/service support nationally
- Full compatibility for optional upgrade to Rheem IQ
- Faster temperature rise relative to competitor models based on higher heat transfer efficiency

HWP7SB

The Rheem commitment to quality and performance

Rheem product carries a unique commitment to quality and performance through R&D. Accent is recognised as Australia's benchmark. Its quest to provide the highest efficiency is supported by Rheem's Psychometric Type Test Room, where heat pump design is tested for efficiency, output and robustness to Australian conditions.

Selecting the right size heat pump for your pool or spa heating requirements

The Australian Consumer Law

Our goods come with guarantees that cannot be excluded under the Australian consumer law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Rheem's warranty is in addition to any rights and remedies that you may have under the Australian consumer law.

In keeping with our policy of continuous progress and product improvement, we reserve the right to make changes without notice.
